

### **“North Door Jam Session”**

This Jam Group are sure to entertain with their wide variety of string instruments including acoustic guitars, ukuleles, fiddles, banjos. They play a wide variety of country, folk, traditional, gospel, pop, rock, and blues music from the 1930's to today. North Door Jam was born from the idea of gathering musicians of varying skill levels to sing and play a variety of music.

Currently a group of 8 to 15 players and singers gather at the ENCORE! (formerly Alexandria Senior Center) at 414 Hawthorne Street. We meet every 2nd and 4th Tuesday of the month from 6pm to 8pm.

One person plays their song of choice and the rest also play along forming a chorus of sound. The microphone is then passed to the next person and the group plays again. Beginner, intermediate and advanced players learn old and new songs and enjoy making new friends. Players and listeners are always welcome. For more information call **David at 715-553-2329**. Enter the facility through the North Door!
